## Hygge-style living!

### You will need...

- Four rolls of d-c-fix<sup>®</sup> wood-effect adhesive foil
- d-c-fix<sup>®</sup> application kit with doctor blade and cutter knife
- Measuring tape
- Scissors
- Pencil
- Ruler

#### Step 1

Measure your headboard exactly.

#### Step 2

Using your pencil, mark out large rectangles onto the backing paper of the adhesive foil and cut these out.

#### Step 3

Peel off the backing paper and apply the foil to the edge.

#### Step 4

Press down the decorative foil well using the doctor blade.

#### Step 5

You can cut off any excess adhesive foil along the edges using the cutter knife. Hold the knife at an angle to the edges so that you can cut accurately.

#### Step 6

Then cover the top surface and the sides of the headboard with the adhesive foil.
