

Stylish Leatherette Bowls Without a Needle and Thread!

You will need...

- noblessa leatherette, basic silver
- Punch pliers
- A ruler
- Scissors

- A pencil
- Split pins
- Print template

Step 1

Print out the template, cut it out and cut a notch in the corners. Punch out the marked holes.

Step 2

Place your template on the back of the leatherette. Cut out everything, including the notches at the corners. You can punch out the holes using punch pliers, like those used on belts.

Step 3

Fold the opposite holes in the corners over the middle hole and fasten them together using a split pin.

Step 4

Fasten together the holes on the other side, too.
