

Placemats out of blackboard film for your next breakfast

You will need...

- One roll of blackboard film
- d-c-fix® Handcrafting kit with smoothing blade and cutter knife
- Scissors
- Pencil

Step 1

Draw a round shape a little large than a dinner place on the backing paper of the blackboard film, and cut the circle out.

Step 2

Peel off the backing paper and place the adhesive film where you want it on your dining table.

Step 3

Press down the film, stroking with the smoothing blade.

Step 4

Write a nice message on the blackboard film, inscribe the person's name or make a small drawing.
