

## Give your shelves a new touch!

### You will need...

- A roll of d-c-fix<sup>®</sup> Gold
- d-c-fix<sup>®</sup> application kit with smoothing blade and cutter knife
- Scissors
- Pencil
- Tape measure

#### Step 1

Measure the side edge of your shelf.

#### Step 2

Transfer the measurement onto the backing paper of the adhesive film.

#### Step 3

Cut the metallic film to the required size.

#### Step 4

Peel off part of the backing paper, apply the film along the edge and press everything down firmly with the smoothing blade.
