WHERE CAN I FIND d-c-fix[®] IN A DIY STORE?

You can find our rolls of d-c-fix[®] near the wallpapers or paints in the renovation department in most stores.

WHAT DOES A ROLL OF d-c-fix[®] LOOK LIKE?

You can recognise d-c-fix[®] from the characteristic red d-c-fix[®] logo.

WHAT SHOULD I DO IF MY DESIRED DÉCOR IS NOT IN STOCK?

Not all DIY stores have all of our décors in stock. It is best to ask the DIY store beforehand whether your desired décor is available.

A larger selection is also often available in the online shops of the respective DIY stores.
