

d-c-fix®

Self-adhesive design film

RENOVATING

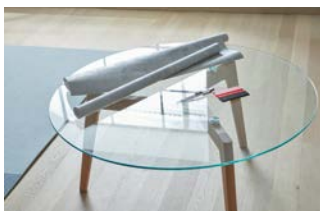

Scratches on a chest of drawers, unsightly stains on a coffee table or minor irregularities on a bookshelf - all these small blemishes can be made to disappear in an instant. With the help of adhesive films from d-c-fix®, you can give free rein to your creativity and achieve a high-quality look without needing to invest in a new piece of furniture.

UPCY CLING

Have you had enough of the look of your cupboard front, but you don't want to buy a new one? Then simply pep it up with an adhesive film from d-c-fix® and give your old cupboards a completely new look.

DECO RATING

Sometimes the smallest things make the biggest difference. With the adhesive films from d-c-fix®, you can, for example, create great murals or pinboards that immediately bring a breath of fresh air to your own four walls.

PERSONALIZING

Anyone can do a simply white decoration, whereas colorful accents provide variety. Show who you are with the help of adhesive films from d-c-fix® and turn your furniture into absolutely unique pieces - recognition value guaranteed.

Application

Before

1. Measure the area

2. Cut the film to size using the backing paper.

3. Peel off 10 cm of the paper from the film.

4. Apply the film and press it down with the squeegee.

5. Cut or trim the film with the cutter.

Tips & tricks for application

You can find more videos about the application on our YouTube channel

Application made easy

With our d-c-fix® **Application Kit**, the application of films could not be easier!

d-c-fix® means unlimited creativity

Achieving great changes through simple actions and on a small budget - this is made possible by the adhesive films from d-c-fix®. The self-adhesive decorative films come in more than 200 different designs such as authentic stone look, high quality wood grain and many other patterns inspired by current trends. Polka dots, Mediterranean tile art or lush flower meadows - there is guaranteed to be something to suit every taste. What is special about films from d-c-fix®? They are super easy to apply without any additional materials and give old furniture, doors and home accessories a completely new look in no time at all.

Quick and easy: peel off, stick on, done

No sanding, no need for multiple coats of paint, no spills

Cheap and convenient alternative to new furniture

No need to search for, transport and tediously assemble new pieces of furniture

True-to-nature designs with tactile surfaces

So that the wood design also feels like wood

Small effort – big effect!

Furniture gets a completely different look – like new!
