# Function

In caso di scarsa aderenza al fondo, potete utilizzare la base antiscivolo, che evita in modo affidabile danni a persone e cose. In casa, in auto, per il camping, nel tempo libero e in ufficio, assicura la tenuta corretta. Evita che i tappeti si spostino e, nella variante per alimenti, può essere impiegata anche nel frigorifero. Inoltre, attutisce i rumori ed è particolarmente facile da pulire.

Cheat gravity: The anti-skid base can be used anywhere to reliably prevent persons or objects coming to harm through a lack of traction. At home, in the car, for camping, leisure and the office, it provides superb grip. Keep rugs in place and, with the food-safe version, it can even be used in refrigerators. It also dampens noise and is easy to clean.
